

# PARTY PLANNING TIPS

Decorate for your party using the colors of the two teams that will be playing. Guests can pick their team colors to show their support.

Create excitement for your big game party by incorporating football themes in your paper or electronic invitations.

Fill a large tub with ice and stock with a wide variety of beverages. This gives guests easy access to their favorite beverage.

Plan the menu early. Look for recipes and ideas that minimize your time in the kitchen and give you more time to watch the game.

Be sure there is plenty of seating for your guests to be able to watch the game. Also, have the game on TVs throughout the house so no one is far from the action.
